

Hayward Elite™

NEW!

UNDERWATER QUARTZ HALOGEN FLOOD LIGHT FOR ABOVE-GROUND POOLS

Elite™ helps you and your family get more enjoyment out of your pool. Now you can spend more time relaxing after a hard day's work. Splashing with the kids or just basking in the glow of a great idea.

Elite is easy to install and comes complete with a cutting tool for easy installation — in only 10 minutes! The kit includes light, wall cutter, pre-wired 12 volt transformer with on/off switch and a 25 foot cord. Its unique and flexible 360° wall positioning allows you to install the light anywhere around your pool. And, unlike other kits, it will not interfere with the circulation of your filter system. Just install the light following the easy-to-follow instructions and plug it in! It even comes with a colored lens kit for dramatic lighting effects!

With Elite, you and your family can kick back and enjoy the beautiful pool you never imagined. Elite. Finally, a bright idea for owners of above-ground pools!

■   Listed for installation on all sizes of Above-Ground Pools.
